MATERIAL HANDLING INFORMATION

National Facilities Management and

Technology Conference

March 15-17, 2011

Baltimore Convention Center

Baltimore, Maryland

MATERIAL HANDLING INFORMATION & ADDITIONAL CHARGES

SPECIAL HANDLING

Rate as shown on Material Handling Authorization Form

The standard material handling applies to shipments that can be readily handled off or onto a truck using a conventional forklift or pallet jack equipment without rehandling. A special handling charge applies if your shipment requires extra labor for stacking or unstacking containers on a truck (cubic loading), taping or untaping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.

OVERTIME

Surcharge: 30%

35301

Based on show move-in/move-out schedule and/or late driver check-in, an overtime surcharge per occurrence applies to shipments handled at show site during overtime hours. Your advance warehouse shipments may be received during straight time, but due to scheduling conflicts beyond Shepard's control may be moved into the exhibit hall on overtime. Any additional overtime charges will be invoiced at show site and are subject to change pending move-in/move-out schedules. Handling times will be documented on shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the Shepard Service Desk AND the driver has checked in.

LATE SHIPMENTS

Surcharge: 25%

35003

A surcharge will apply to shipments not arriving within the published dates (refer to Show Information page for dates) for advance warehouse or arriving on show site after show opening.

UNCRATED SHIPMENTS

Rate as shown on Material Handling Authorization Form

An additional charge of 50% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move-out of the show, and is based on the weight of the shipment handled.

OFF-TARGET DELIVERIES

Surcharge: 15%

35004

For targeted shows (exhibitors who received/requested a Targeted Date/Time), a surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.

PADDED VAN DELIVERIES

Surcharge: \$8.00/CWT

35041

A padded van surcharge applies to van line carriers that transport freight at cubic displacement rates, operate a non-standard dock height equipment, require freight on the truck to be unloaded in a specific order or orientation, or require that freight on the truck be moved to unload the actual delivery.

MARSHALING YARD

Surcharge: Maximum \$25.00

35250

Where Shepard Exposition Services as the show contractor must lease space for marshaling yard operations because no space is provided by the facility, Shepard may charge a fee per shipment processed through the marshaling yard.

REWEIGH OF SHIPMENTS

Surcharge: \$25.00 per forklift load

35282

An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.

EMPTY CRATE STORAGE

Surcharge: \$10.00 per piece, Minimum \$40.00

35105

A charge per crate, carton or skid applies when Shepard handles the storage and return of empties from a shipment not received by Shepard and therefore not subject to material handling charges.

ENVELOPE DELIVERIES

Surcharge: \$10.50 per envelope

35007

During show hours at the show facility, a charge will apply to receiving and delivering envelope packages to your booth.

SECURED STORAGE

Surcharge: \$.80/sq. ft., Minimum \$20.00 Min. one-hour labor fee for each trip

35400

Only Shepard personnel have access to secured storage. A minimum one-hour material handler charge at show rates will apply each time material is handle to or from storage. There is no charge to return materials to your booth at the close of the show.

ACCESSIBLE STORAGE

Surcharge: Based on applicable Labor rate (refer to labor order form).

35166

Accessible storage will be accessible during the show, but not necessarily by exhibitors. There will be no charge to return material to the booth at the close of the show.

WAREHOUSE STORAGE

Shipments arriving at the warehouse more than 30 days ahead incur storage fees. Transportation of freight to the warehouse after the show at the exhibitor's request incurs "return to warehouse" (RTW) fees and storage fees.

Return to Warehouse Service Fee

Surcharge: \$20.00 per CWT, Minimum \$400.00

35005

(crated materials only, uncrated materials will not be accepted at warehouse)

Storage per month

Surcharge: \$10.00 per CWT, Minimum \$100.00

35006

MOBILE SPOTTING FEE

Surcharge: \$150.00 round trip

35106

Vehicles operated by exhibitors may be allowed on the exhibit hall floor for loading or unloading, if Shepard determines such activity to be operationally feasible and safe. All vehicles operated on the exhibit hall floor must be escorted by Shepard personnel. In such cases, a MOBILE SPOTTING FEE will be charged. All local fire marshal rules and regulations apply. Please call customer service for details.

If you have any questions about material handling, please contact Shepard Customer Service department.
