A BETTER WAY TO MANAGE YOUR JOINT COMMISSION ACCREDITATION

A REVOLUTION IS COMING

The process of gaining and maintaining your Joint Commission accreditation is daunting. You can pay an outside firm thousands upon thousands of dollars, but between the cost and the time it takes to communicate the infractions and make the needed corrections, you've lost precious time and money.

GOOD NEWS: IF YOU'RE IN CHARGE OF MANAGING YOUR FACILITIES' JOINT COMMISSION COMPLIANCE, YOUR LIFE IS ABOUT TO GET A WHOLE LOT EASIER.

100% CLOUD-HOSTED SaaS SERVICE

TAKE CONTROL OF YOUR AUDITS AND AVOID EXPENSIVE CONSULTING FEES

NOTATE DEFICIENCIES DIRECTLY ON YOUR LIFE SAFETY PLANS

ASSIGN CORRECTIONS AND MONITOR PROGRESS IN REAL-TIME

Scout, our newest service powered technology, is the proactive service for mitigating your Joint Commission accreditation risks. Our one-of-a-kind service can remove the chaos and deliver ease and efficiency to your path to accreditation."

Scout is an innovative *next* practice that your facility cannot afford to do without.

*SCREEN IMAGES SIMULATED **L&R OPTIX SCOUT IS ONLY AVAILABLE TO ACTIVE SUBSCRIBERS TO THE CURRENT HOSPITAL ACCREDITATION STANDARDS (HAS). PROOF OF SUBSCRIPTION IS REQUIRED TO MAINTAIN ACCESS AND USE OF THE OPTIX SCOUT APPLICATION. USE OF THE SCOUT APPLICATION DOES NOT GUARANTEE A SUCCESSFUL JIC SURVEY, NOR DOES PURCHASE OF THE OPTIX SCOUT OBTAIN THE NEED FOR OBTAINING JIC CERTIFICATION.
