

Cahoots™

GREAT TEAMS TALK

Organizations now have a simple, cost-effective way to talk, using what your entire team is already carrying . . .

Get your team in *Cahoots*

- Multi-team walkie talkie (push-to-talk)
- Widespread emergency notification
- Quick team huddles
- Easy voice conferencing

All in a *simple and secure* app

- **One-touch talk:** Speak instantly with the exact group or person you need
- **Global range:** Secure access to your team from anywhere, whether across the hall or across the world . . . wherever you have WiFi or cell coverage
- **Exceptional quality:** Full-duplex with crystal clear voice fidelity
- **Non-disruptive:** Easily control what you hear and when
- **History bar:** Rolling 24-hour info and replay of anything you miss
