J Reynolds

Commercial Roofing & Waterproofing

History and Promise to the Marketplace

J Reynolds national headquarters is located in Saginaw, Texas. In its early years, the company provided high quality roofing services to local commercial properties. With experience and company growth, J Reynolds now specializes in commercial roofing and waterproofing - on a national level. We can provide high quality installations, repairs, and inspections on any building throughout the United States.

With more than 100 years of combined experience, our staff is prepared for any climate, any repair, and any project you may have. Excellence is our standard - we finish our projects in a timely manner, remain within budget, and are committed to safety.

Having worked in this industry for many years, J Reynolds understands the need for advances in technology. Building envelope practices, materials, and applications have transformed over the last several decades. We pride ourselves on our continual training to provide you with the latest innovations in the roofing and waterproofing industry.
