CARPET

For over 60 years, Stanley Steemer has provided superior carpet cleaning to customers across the country. By using the method most carpet manufacturers recommend – hot water extraction – we get the dirt other methods can't.

- **Protector** - Helps resist dirt, spills and everyday traffic.
- **Deodorizer** - Neutralizes odors, eliminates them at their source.

Stanley Steemer is the first carpet cleaning service certified **asthma & allergy friendly™** by the Asthma & Allergy Foundation of America.

We remove an average of 94% of common allergens.

asthma & allergy friendly™ Certification applies to Carpet Cleaning services only. ASTHMA & ALLERGY FRIENDLY and ASTHMA & ALLERGY FRIENDLY LOGO are Certification Marks and Trademarks of ALLERGY STANDARDS LIMITED. The ASTHMA AND ALLERGY FOUNDATION OF AMERICA is a Registered Trademark of AAFA.

UPHOLSTERY

Our powerful hot water and extraction cleaning process provides the deep cleaning your upholstery needs to look and smell like new again.

Our professionally trained technicians determine the best cleaning option for your specific piece of furniture, then provide a deep clean you could never get yourself.

TILE & GROUT

Mops and brooms simply push the dirt around. Our cleaning process revives the look of tile and grout by extracting stubborn dirt from deep within the pores and grout lines.

- Protect your grout with **Clear Seal**
- Change the look of your grout with **Color Seal**

COLOR SEAL & CLEAR SEAL

BEFORE

AFTER

LVT/VCT

We begin by stripping old wax and finish from the floor, removing any stains or unwanted buildup that may have occurred over time. Then, we apply multiple coats of commercial-grade wax, which protects LVT or VCT from the wear and tear that is common in heavily used commercial areas. The goal is to fill in any unwanted scratches, creating a smooth, bright finish on the floor surface.

AIR DUCT

Air systems trap dust, chemicals, pollutants, even allergens. In fact, your HVAC system can act as a collection source for these contaminants, constantly circulating them season after season. Having our technicians clean your entire system (furnace, coils, air ducts, registers and grills) Stanley Steemer creates a cleaner, healthier environment for you and your guests. With the most advanced equipment in the industry, our agitation tools allow us to safely and thoroughly clean all types of HVAC systems, quickly and efficiently.

BEFORE

AFTER

HARDWOOD

We don't just push the dirt and dust around. We extract it. Our hardwood cleaning machine actually extracts the dirt from deep within your wooden floors, revealing the luster and beauty you're looking for.

BEFORE

AFTER

24 HOUR EMERGENCY WATER SERVICES

Since reaction time is critical, our certified professionals are on call around the clock, 24 hours a day, with emergency water services to immediately address the problem.

- Pump out any freestanding water
- Extract water from carpet, padding and upholstery
- Locate hidden pockets of water with infrared camera and moisture sensors
