ESTABLISHED IN 1975

Labor Finders is the oldest and largest privately held industrial labor staffing company. Comprised of a focused network of over 285 offices throughout the country, Labor Finders delivers a flexible, productive, dependable workforce to meet fluctuating demands while eliminating payroll and administrative burdens for companies. Our offices are part of the community and have a stake in the future of the local businesses and their family of workers. As a member of the American Staffing Association (ASA), Labor Finders is a nationally recognized leader in temporary work solutions for a multitude of industries.

OUR VALUE TO CUSTOMERS

Dedication to customer service is top priority at Labor Finders. No matter what your needs are, we can customize a personnel solution that is cost-effective and productive. Labor Finders handles Workers' Compensation insurance, state and federal taxes, unemployment insurance and other legally required contributions so you can handle getting the job done quickly and right!

FOR ALL YOUR STAFFING NEEDS

TIMES HAVE CHANGED

Today's business environment continues to evolve as companies attempt to most efficiently utilize their resources by matching supply and demand, including the available labor pool. No longer can companies afford to employ excess staff. Labor Finders is uniquely positioned to provide workers at every skill level who bring both the right attitude and the right aptitude to every assignment.

OUR SOLUTION DELIVERS

We guarantee superior customer satisfaction by helping you fulfill your human resource needs! We offer:

- Skilled and semi-skilled temporary employees
- The right person to fit your production needs
- Background checks and skill testing ... available upon request
- Temporary-to-permanent conversions

 MEMBER OF
American Staffing Association

WE SAVE YOU TIME AND MONEY

- Providing individualized recruitment and screening for all employees
- Assuming payroll and administrative costs so your staff is able to do what they do best
- Supplementing your workforce
- Processing Social Security and unemployment insurance
- Administering federal and state taxes
- Providing Workers' Compensation
- Eliminating the cost and responsibility of sick time, hospitalization and life insurance

GUARANTEED SATISFACTION

At Labor Finders, we are committed to finding the right person for you. We deliver qualified temporary employees on time to successfully complete your project.

We guarantee the temporary employee(s) Labor Finders assigns to your project will have the qualifications you request. If you are not completely satisfied, let us know within the first two hours of an assignment and we will replace that temporary employee free of charge.
