### GreenTech

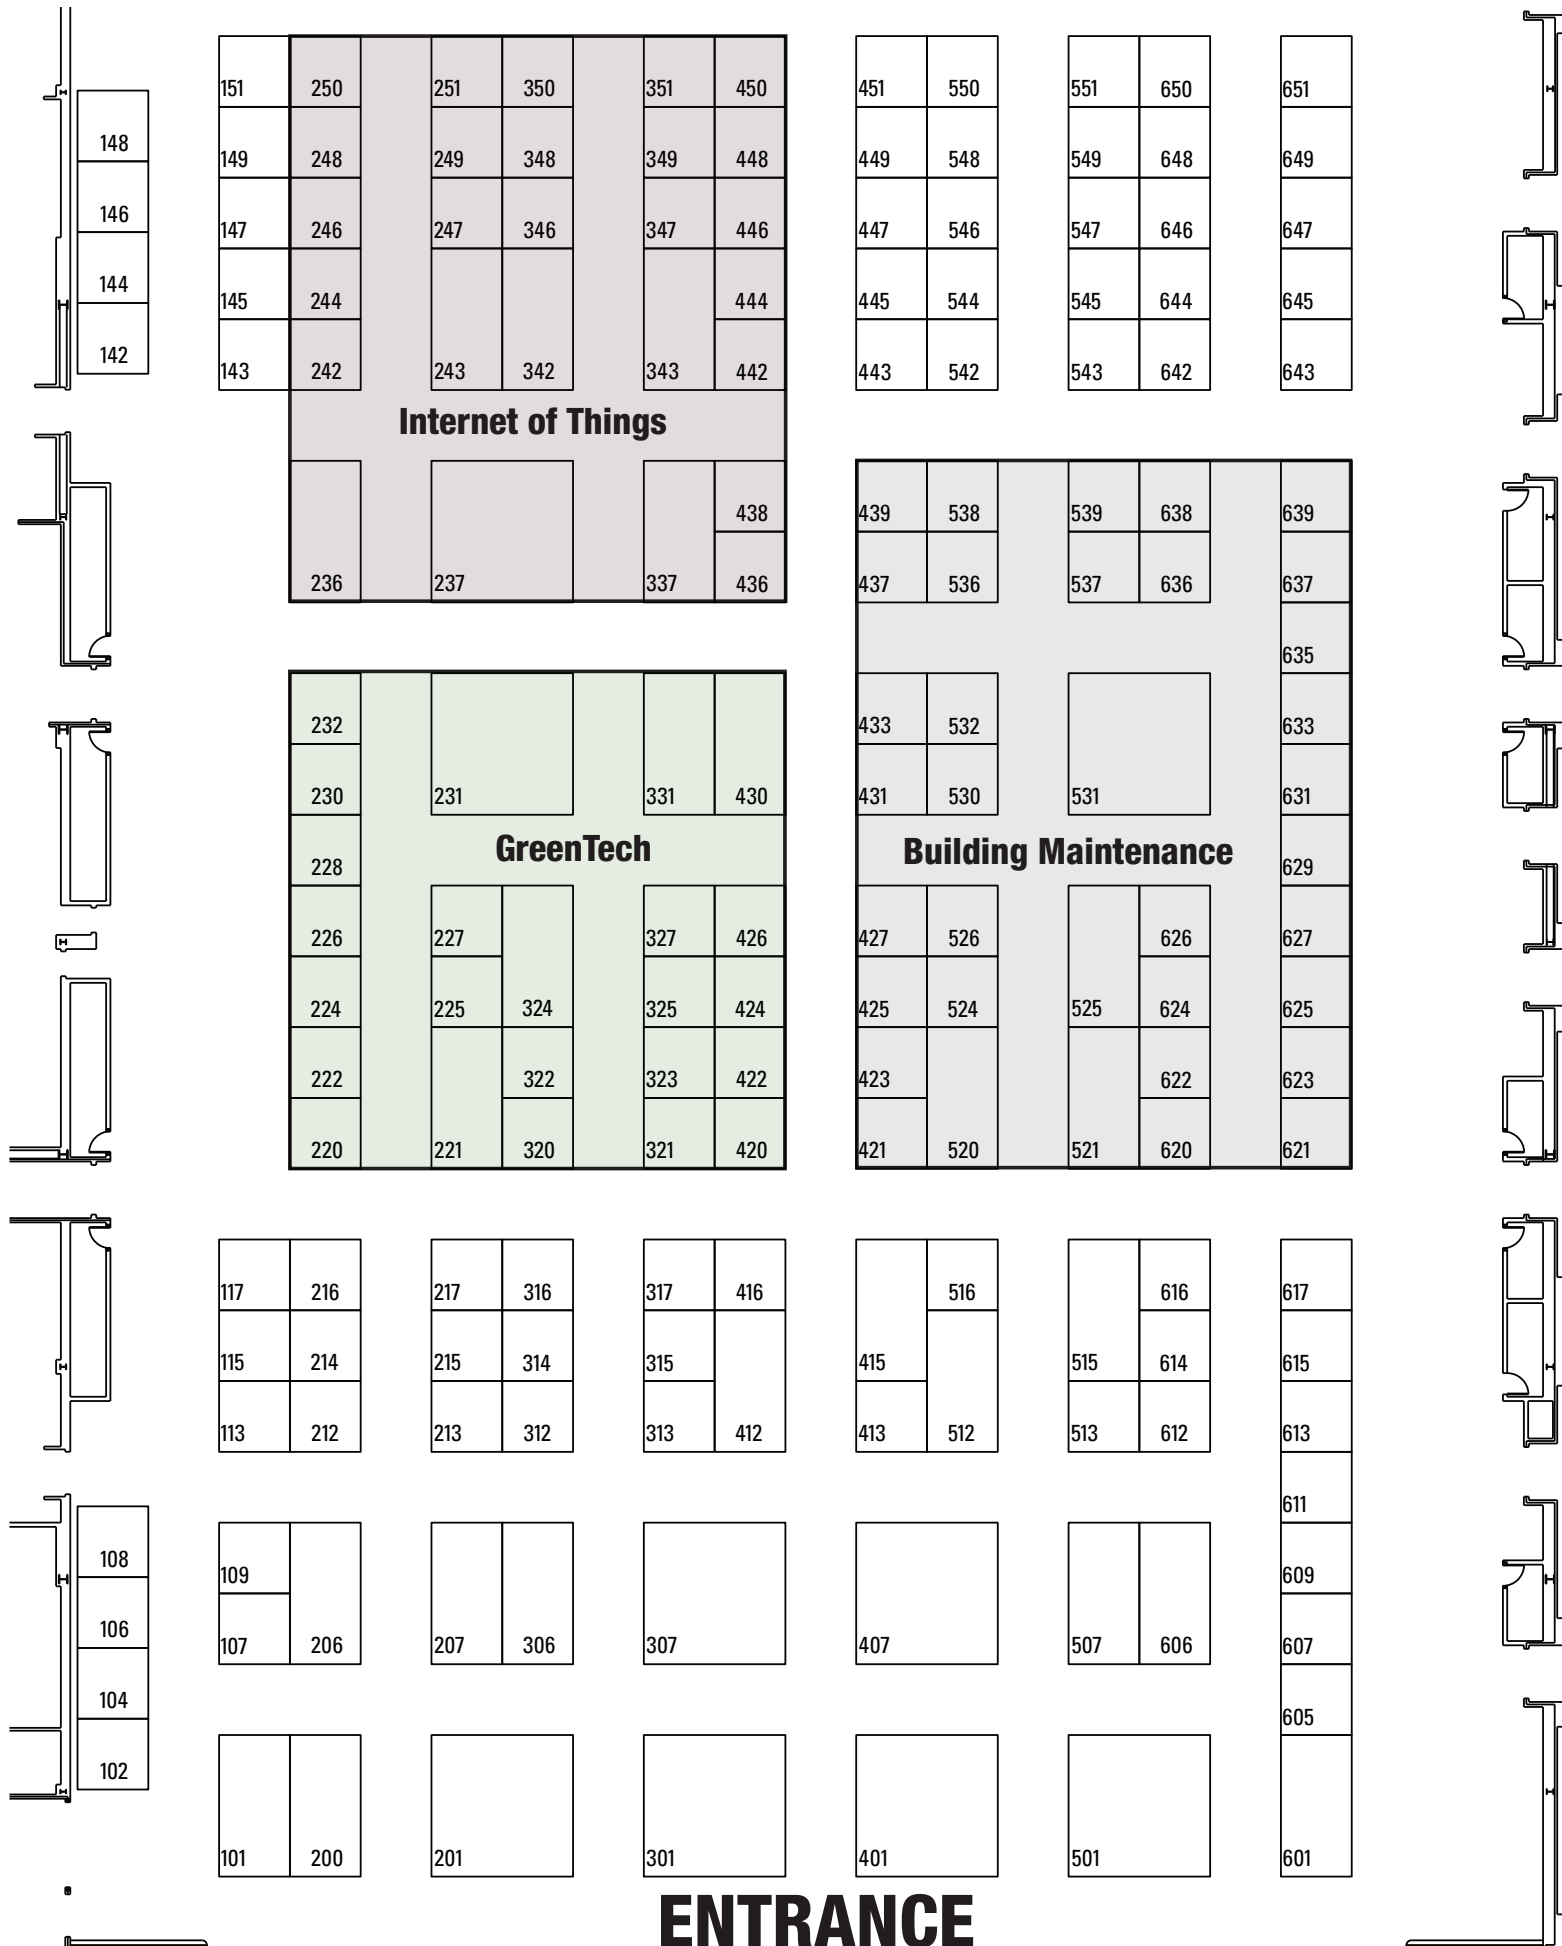

Showcasing products and services for environment-friendly, sustainable, and energy-efficient buildings and operations. Designed for facility executives responsible for leading the sustainability initiatives in their organizations.

### Internet of Things

Exhibitors in the IoT pavilion offer the latest in smart building technologies. Smart buildings deliver immediate energy savings, reduced operations and maintenance cost and increased health and safety for an overall better workplace.

### Building Maintenance

This pavilion features suppliers who provide maintenance products and services and facility solutions on a contract or project basis.
