# Get Here to Get Inspired

## New For NFMT Vegas 2014

### » 50 Never-Before-Seen Sessions Added to the NFMT Vegas Agenda

Every year the NFMT Vegas agenda is evaluated and updated to respond to the needs of the ever-evolving facilities management profession. This annual freshening of curriculum ensures NFMT Vegas is never the same show twice and worth attending year after year.

### » Mandalay Bay Physical Plant Tours

Keeping a hotel, casino and convention center in working order is no small feat. Find out how it's done, and done right, when you take a behind-the-scenes tour of the Mandalay Bay physical plant. Two tours will be offered and attendance availability is first-come, first-served.

### » Facility Maintenance Decisions Achievement Award Panel Session

This event celebrates the central role maintenance and engineering managers play in the successful and efficient operation of the nation's institutional and commercial facilities. Winners discuss the secrets behind their successful projects, and provide insights and lessons learned. Questions from the crowd are encouraged in this highly interactive session.

### » Young Facility Managers Professional's Happy Hour

Kick back with cocktails and the under-35 set Tuesday evening after the show. This is a great way to connect with other newer-to-the-FM-profession attendees.

### » New Track: Building Automation sponsored by BACnet International

The new Building Automation track, sponsored by BACnet International, includes a variety of educational sessions that address the many facets of building automation controls.

## » Back By Popular Demand

### » Speakers Extraordinaire

At NFMT Vegas, you can always expect top-notch educational sessions facilitated by top-notch FM gurus. This year is no exception with returning favorites that include Teena Shouse, Dean Kashiwagi, Joan Stein and Larry Morgan.

### » Women in FM Breakfast

Join a few of the industry's leaders as they discuss the positives and negatives of being a female in this historically male dominated industry, as well as how they have successfully transcended their careers. Together, the panelists represent a global facilities management perspective and additionally, they bring unique viewpoints regarding topics such as technical skills, career advancement, work-life balance, and more.

### » Solutions Exchange Networking Event

Solutions Exchange is a round-robin interactive session that engages you through discussions on the critical topics in facilities management. Take a seat among your peers and join in an exchange of ideas, facilitated by some of the top suppliers and experts serving the facilities industry. You have the opportunity to participate in three, 20-minute table discussions.

Tuesday, October 7 • 4-5 PM

# Get Here to Get Smart

## » Bring Your Co-Workers to Divide and Conquer

We work hard to ensure that NFMT Vegas is filled with relevant educational and networking opportunities. We realize, however, that it is not feasible for you to take advantage of the conference's every offering. This is why we encourage you to gather up your co-workers and attend the show as a group. The more people you send to NFMT Vegas the more knowledge and expertise you can collectively gather and bring back to your organization.
