

Hospitals, Outpatient Facilities & Medical Office Building Summits

Three Ways to Shape the Future of Medical Facilities

1. Grow your network and gain recognition for your expertise in the design, construction, and operations of medical facilities by speaking at nation's leading healthcare educational event

Jen Hendrich Cayton, Ascension;
Nancy Coleman, BJC HealthCare;
Charis Bengston Trost, Mercy

Michael Noto,
Welltower

Wes Huff,
Baylor Scott & White

Douglas Carney,
Children's Hospital of
Philadelphia

Walter Jones,
MetroHealth System
Cleveland

2. Enjoy benefits of being a Participating Partner / Sponsor of Summits in Nation's Top Healthcare Markets

Over 5,000 attendees in 25 major healthcare markets over the past five years
Attendees own, operate, design, build, and finance medical facilities throughout the US
Summits are covered by journalists and trade press editors

Supported through a partnership with the Association of Medical Facility Professionals and other healthcare groups
