atEvent—Global Lead Retrieval Solution

A global lead retrieval solution you can use at all your events.

- · Download app on your own phone or rent a tablet
- Drive prospect nurturing and sales conversions
- Transfer leads automatically to your CRM or Marketing Automation systems
- Obtain interaction history across all your events
- Scan badges and business cards

Products run on Apple and Android devices with current operating systems

"This is best lead retrieval app I have ever used! It's so simple to use. After my booth staff downloaded it onto their own phones, they were up and running in no time. We will definitely use the CompuLEAD app again next year." – **T. Jacobson**

International Exhibitors Have a limited data plan?

You can use the CompuLEAD App in 'Airplane Mode' and sync your leads at the end of the day to avoid using up your data. (Wi-Fi enabled devices only)
