UNDER WATER?

New Pig

Who are we?

We're people with a passion for floor safety, and we've been the leading resource for leaks, drips and spills since 1985. PIG products have helped more than 300,000 industrial, commercial, institutional and retail facilities — in more than 100 countries — find better ways to keep their sites clean and safe.

Always risk-free.

We stand behind 100% of our products 100% of the time. If you're not happy, we'll refund every penny, including taxes and shipping both ways. **Zero risk. No guff. All good.**

WEATHER-RELATED HAZARDS AND DAMAGE

WATER = DAMAGE, HAZARDS AND HIGH COSTS

- No. 2 business insurance claim: **WATER DAMAGE**. Average cost – \$17,000*
- No. 5 business insurance claim: **SLIPS AND FALLS**. Average cost – \$20,000*

Businesses spend billions of dollars each year on water-related losses that include slip-and-fall accidents, lost productivity, equipment and structural damage, and ruined inventory. But with a little preparation and specially-designed products from New Pig, you can respond quickly to minimize damage, insurance claims and costs.

Come to **Booth 2328** for quick, cost-effective solutions to your expensive water problems.
