TRANSPORTATION SOLUTIONS

Ingersoll Rand

TRANSPORTATION SOLUTIONS FOR EVERY APPLICATION

With the most extensive commercial line up in the industry, Club Car® offers reliable utility, turf utility, golf, transport, mobile merchandising and street-legal low speed vehicles to meet your every need.

Our Carryall® utility vehicles are available with electric, gas or diesel powertrains, and with two-wheel or automatic all-wheel drive. They seat up to four passengers.

As the world's largest manufacturer of small four-wheel electric vehicles, we engineer zero-emissions vehicles with the industry's most powerful controllers, longest range and smart on-board chargers. They deliver the muscle of gasoline UTVs, yet slash your carbon footprint.

THE CLUB CAR DIFFERENCE

- An industry-leading 4-year battery, 3-year/3,000-hour powertrain, 2-year bumper-to-bumper limited warranty on most models.
- VersAttach™ track-based attachment system with tool and equipment holders that carry gear outside the bed. This protects equipment, frees floor space and reduces round trips.
- EFI engines with hemispherical heads, capacitive discharge ignition and case-hardened steel timing chains on many models.
- Electric vehicles with programmable speed and acceleration and regenerative braking.
- Rustproof aluminum frame and bed box.
- Widest range of commercial-grade accessories in the industry and an active Custom Solutions Department where engineers design unique vehicles for special applications.

[1] Rated power per SAE J1940. [2] Rated power per SAE J1349. [3] Rated power per SAE J1995. [1-3] Engine horsepower and torque specifications are provided by the engine manufacturer. Actual horsepower and torque in use may differ and are dependent on environmental conditions as well as maintenance condition of the engine. [4] 3/4-ton option. [5] High-capacity option. [6] There are no warranties, expressed or implied, contained herein. [7] Many vehicles shown through brochure are shown with optional equipment. MRKT_Com_00005 Rev 02/2016

A NEW AND IMPROVED ROPS CAB

We have integrated our brand new cab into the Carryall UTV's automotive design for improved fit and finish, enhanced visibility and a wider range of options and accessories.

CARRYALL 100

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	800 lb (363 kg)	15-17 mph (24-27 kph)	2
13 hp (9.6 kW) peak 48-volt electric		5-17 mph (8-27 kph)	

Enjoy full-size performance with entry-level pricing. A great choice for security, parking and lighter duties. Fits in the back of a pick up truck.

CARRYALL 700

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	1500 lb (680 kg)	15-17 mph (24-27 kph)	2
20 hp (14.9 kW) peak 48-volt electric		5-17 mph (8-27 kph)	

A nearly 6 foot (67.6 in/171.7cm) long bed makes transporting cargo easy and efficient, yet independent suspension and rack-and-pinion steering deliver a smooth ride.

CARRYALL 1700

Power	Capacity	Speed	Seats
Kawasaki* 20.1 hp (15.0 kW) gas ⁽²⁾	1600 lb (726 kg)	25 mph (40 kph)	4
Kubota* 20.0 hp (15.0 kW) diesel ⁽³⁾		25 mph (40 kph)	

With Club Car's exclusive IntelliTrak™ automatic four-wheel drive system and four forward-facing seats, this vehicle carries 4 passengers and their gear over the roughest terrain.

PRECEDENT 4Fun

Power	Capacity	Speed	Seats
20 hp (14.9 kW) peak 48-volt electric	1020 lb (463 kg)	5-12 mph (8-20 kph)	4

The 4Fun boasts four seats to foster comfort, conversation and safety. It also comes standard with a powerful IQ Plus™ powertrain, SportsDrive™ suspension, Monsoon Top™ and four bag holders for the ultimate golf experience.

Villager 2

Power	Capacity	Speed	Seats
14 hp (10.3 kW) peak 48-volt electric	550 lb (249 kg)	21 - 23 mph (33 - 37 kph)	2

Lower your carbon footprint with a street-legal vehicle. Found on campuses and in downtowns across the US where the posted speed limit is 35 mph or less.

CARRYALL 300

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	800 lb (363 kg)	15-17 mph (24-27 kph)	2
13 hp (9.6 kW) peak 48-volt electric		5-17 mph (8-27 kph)	

Perfect for light duty tasks, the Carryall 300 delivers a more durable body, versatile bed and increased features.

2WD

CARRYALL 1500

Power	Capacity	Speed	Seats
Kawasaki* 20.1 hp (15.0 kW) gas ⁽²⁾	1450 lb (658 kg)/ 1900 lb (862 kg) ⁽⁴⁾	19mph (31 kph)	2

Our 2-wheel drive Carryall 1500 delivers the power, and strength of a 4-wheel drive vehicle with even higher payload capacity. Features 4-wheel hydraulic disc brakes and tows up to 2,000 lb (907.2 kg)⁽⁴⁾

4/6

TRANSPORTER

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	1500 lb (681 kg)	15-17 mph (24-27 kph)	4 or 6
20 hp (14.9 kW) peak 48-volt electric		5-17 mph (8-27 kph)	

By blending durability with comfort and room for four or six passengers, this vehicle is perfect for giving tours and transporting gear or guests around everything from airports to zoos.

Villager 4

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	800 lb (363 kg)	5-15 mph (8-24 kph)	4
13 hp (9.6 kW) peak 48-volt electric		12-15 mph (19-24 kph)	

The Precedent i2 Villager 4 comes with four ergonomically designed seats to bring comfortable, upscale transportation to campuses, car dealerships, apartment complexes and many other applications.

Villager 2+2

Power	Capacity	Speed	Seats
14 hp (10.3 kW) peak 48-volt electric	800 lb (363 kg)	21 - 23 mph (33 - 37 kph)	4

This four-passenger, street-legal vehicle fosters group conversation and is perfect for navigating crowded areas. Expect up to 30 miles on one charge.

CARRYALL 500

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	1200 lb (544 kg)	15-17 mph (24-27 kph)	2
20 hp (14.9 kW) peak 48-volt electric		5-17 mph (8-27 kph)	

This best seller delivers the right combination of speed and power for just about any job. Standard four wheel-brakes for better towing, more payload.

4WD

CARRYALL 1500

Power	Capacity	Speed	Seats
Kawasaki* 20.1 hp (15.0 kW) gas ⁽²⁾	1200 lb (544 kg)/ 1450 lb (658 kg) ⁽⁵⁾	25 mph (40 kph)	2
Kubota* 20.0 hp (15.0 kW) diesel ⁽³⁾		25 mph (40 kph)	

Features our foolproof IntelliTrak™ fully automatic four-wheel drive system as well as our semi-independent four-link rear suspension system for a smooth ride, even when fully loaded.

CAFE EXPRESS

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	850 lb (386 kg)	12-14 mph (19 - 23 kph)	2

The perfect solution for mobile merchandising, standard with (2) beverage and (2) ice compartments, (2) air pots for hot liquids, configurable shelves for dry goods, cup holders, rear storage bay and trash receptacle.

Villager 6

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	1500 lb (681 kg)	15-17 mph (24-27 kph)	6
20 hp (14.9 kW) peak 48-volt electric		5-17 mph (8-27 kph)	

Comfortably carries six, thanks to a fixed rear seat. Flexible passenger and cargo configurations and a wide range of options make it great for many applications.

CARRYALL 510

Power	Capacity	Speed	Seats
16 hp (11.7 kW) peak, 48-volt electric, 3-phase AC	950 lb (430 kg)	25 mph (40 kph)	2

Works like a small truck but is gentle on turf. Great for large campuses where you need street-legal, smaller transportation to navigate tight spaces.

CARRYALL 550

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	900 lb (408 kg)	15-17 mph (24-27 kph)	2
20 hp (14.9 kW) peak 48-volt electric		5-17 mph (8-27 kph)	

Tough enough to trounce rough terrain, yet nimble enough to tread lightly on manicured turf. Cockpit-style interior makes for easy entry and exit.

4WD

CARRYALL 1500

Power	Capacity	Speed	Seats
Kubota* 20.0 hp (15.0 kW) diesel ⁽³⁾	1700 lb (771 kg)	25 mph (40 kph)	2

Features both our foolproof IntelliTrak™ fully automatic four-wheel drive system and our IntelliTach™ fully hydraulic attachment system with three attachment tools. The definition of versatility.

PRECEDENT i2

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	500 lb (227 kg)	12-15 mph (19-24 kph)	2
13 hp (9.6 kW) peak 48-volt electric		5-15 mph (8-24 kph)	

The world's best golf car comes standard with a premium EFI gas or Excel™ electric powertrain, SportsDrive™ suspension, 360° bumper, and Monsoon Top™. Upgrade to the i2L (shown here) for all the bells and whistles.

Villager 8

Power	Capacity	Speed	Seats
14 hp (10.3 kW) Subaru EFI gas ⁽¹⁾	1500 lb (681 kg)	15-17 mph (24-27 kph)	8
20 hp (14.9 kW) peak 48-volt electric		5-17 mph (8-27 kph)	

Transports eight people in limo-like style. Perfect for high-volume applications like resorts and convention centers. Accommodates a range of commercial accessories for a variety of applications.

CARRYALL 710

Power	Capacity	Speed	Seats
16 hp (11.7 kW) peak, 48-volt electric, 3-phase AC	1050 lb (476 Kg)	25 mph (40 kph)	2

Need to move large items like appliances or just need lots of capacity? This is our biggest street-legal option with a nearly 6 foot (67.6 in/171.7cm) long bed.
