

CX ENERGY 2018 CONFERENCE & EXPO

APRIL 23-26, 2018

Las Vegas, Nevada | Rio Las Vegas

ATTENDEES INCLUDE:

PRESENTED BY:

Top Reasons to Participate

- Acquire valuable information and immediate profitable takeaways that are difficult to get in a single setting.
- Hear case studies and best practices on how to optimize building performance, extend lifecycle of vital HVAC equipment and building systems, and improve occupant comfort.
- Earn AIA (LU/HSW), USGBC General Education and other important CE credits.
- Check out the latest building technologies, including software, instrumentation, meters, controls, and tools in the Expo Hall.
- Network with hundreds of senior-level commissioning and energy management professionals as well as building owners, facility managers, and representatives of top commercial real estate and building maintenance & facility services companies.

NFMT2018 Booth 2673

Register to attend at www.CxEnergy.com, info@commissioning.org or call 202-737-7775.
