

Move Out & Dismantle Reminders

MOVE OUT: The NFMT[®] Expo will begin move out at 2:31 pm, Thursday, March 31.

RETURN OF EMPTIES: Freeman personnel will return all empty containers, boxes, wooden crates, pallets, etc. at the close of the show. There is no aisle carpet to remove which will speed up the process for the return of empties. We anticipate it will take an additional 2-3 hours to return all empty containers to exhibitors after the close of the show. The best way to keep this process moving quickly is to keep aisles as clear as possible so crews can return the empty containers without unnecessary delays or accidents.

SHIPPING: All exhibitors must fill out a bill of lading if shipping materials, via a carrier, out of the convention center. A Freeman Customer Service Representative will pass out a bill of lading before the close of the expo. (Any open balances with Freeman must be paid in full to receive this form). Once the bill of lading is filled out and all exhibit space materials are packed up, please return the bill of lading to the Freeman Customer Service desk. **Completed bills of lading will not be accepted at the Freeman service desk until the close of the show at 2:31pm Thursday, March 31st. DO NOT LEAVE BILL OF LADING IN BOOTH!**

SHOW CARRIER: Freeman Transportation is the official show carrier. You may choose to use an alternate carrier however you are responsible for making the arrangements for pickup. Carriers must check in/sign in at the Freeman marshaling yard no later than 10:00 am on Friday, April 1st.^{*} At that time, Freeman will make final arrangements for re-routing exhibitor materials remaining on the expo floor.

***PLEASE NOTE:** Carriers must check in at the marshaling yard before proceeding to the convention center docks. The marshaling yard is located at the:

TA Truck Stop
5501 O'Donnell St. Cut Off Baltimore, MD 21224

POV:
Loading by Hand: If you unloaded your own vehicle and **hand carried** your materials to the exhibit space, a bill of lading is NOT required, however, a POV dock pass is required. A POV desk will be located near the Freeman service desk where you may retrieve a pass once all of your exhibit space materials are completely packed and ready to be loaded. This pass must be in the vehicle and presented to security at the Charles Street security gate to be allowed access to the POV loading area. POV passes will NOT be available until 2:31 pm, Thursday, March 31 and after you are completely packed up.

Loading with Assistance:

If Freeman personnel unloaded your personal vehicle with the assistance of a **forklift** during move in, **a bill of lading is required**. Once all of your exhibit space materials are packed and ready to be loaded, please proceed to the Freeman service desk to turn in the BOL. After the paperwork is received you may retrieve your vehicle and proceed to the loading dock where instructions on parking will be given to you by the security personnel working the POV move out. Check with Freeman for estimate on any associated fees.
